## Upcoming Events

### **Tooth Fairy Day – 28th September 2025**

( Please Note that the date has been changed from the 22nd to the 28th.

Children are invited to dress up as little tooth fairies! To promote healthy teeth, we kindly ask each parent to send an apple along with their child. As the saying goes, "An apple a day keeps the dentist away!"

**We will also have a visit from our friendly local dentist to teach children about keeping their teeth and gums healthy.**

### **Community Helper Day – 30th September 2025**

We are excited to welcome local community helpers such as police officers, doctors, and dentists. Children will learn first-hand how these heroes help us every day.

## Reminders

- Please ensure your child has an extra set of clothes in case of messy play.
- A refillable water bottle is a must to keep our little ones hydrated throughout the day.

Thank you, parents, for your continued support.

Together, we are building joyful memories and a strong foundation for our children's learning journey.

Warm regards,  
Academia Preschool Team
